~~DRAFT NOT EFFECTIVE YET! This literary work (“Work”) is licensed under the Creative Commons Attribution-ShareAlike license version 2.5 or later (“License”). You may have received the Work aggregated in a digital file or on a tangible medium together with a Creative Commons license badge graphic and/or the “wing” emblem of the Helsinki University of Technology, and/or you may have received the Work in a digital file that contains embedded fonts. The license badge, the “wing” emblem and the embedded fonts are not part of the Work and are not covered by the License. For avoidance of doubt, when the Work or a Derivative Work is distributed as a file containing embedded fonts (e.g. PDF) or as a markup document accompanied by external style definitions and the markup document can be intelligibly rendered using the default style definitions of typical rendering software (e.g. semantic HTML or L<sup>A</sup>T<sub>E</sub>X using standard macro names), the embedded fonts or the accompanying external style definitions are not considered to be subject to the ShareAlike provision of the License by the Licensor and are not required to be licensed under the License.~~

~~The Licensor believes that the license badge, the “wing” emblem and the embedded fonts do not encumber exercising the rights granted under the License for distribution of verbatim copies of the Work. However, if you create a Derivative Work, please ensure that you are permitted to use elements that are not covered by the License but that you may have received together with the Work or delete the elements if in doubt.~~

~~Please refer to <http://creativecommons.org/policies> for information about the use of the license badge. If you have inquiries about the “wing” emblem, please contact the Helsinki University of Technology.~~
